Downstairs during fellowship after worship, you will see a poster of our church displayed on one of the wooden divider walls. Until the end of the month, we invite you to use the paper and markers provided to share your answer to the question: "How are you doing church outside of church?" That could mean volunteering with an organization, performing various acts of kindness, and more. Let's see how many different places and people we touch through the love and faith we find in Christ!
