

First Presbyterian Church is an important part of our community. Since moving to this building in 1960, First Presbyterian Church has met the spiritual and emotional needs of members and adherents and their families. In addition to providing Christian sacraments and Christian education, First has been a provider for all manner of charitable causes both local and international, in the spirit of Christ's teaching and grace. We never dreamed that in addition to providing Christian teaching and values, the role of our church in our community would assist in aiding members of Alcoholics Anonymous, the Boy Scouts and many other charitable organizations. Who would have thought that we would have supported ALS, posttraumatic stress recovery in first responders or had some of the best western themed chuckwagon dinners! We have even hosted a Pokemon Go stop!

We now need your help to continue to provide service to our community. Our church building is in need of a new roof, the cost of which is estimated at \$85,000. This cost includes shingles and flat roof materials as well as labour.

Please consider donating to this special project to keep our church viable.

A fundraising campaign is underway to raise funds to replace the shingles on the roof of our church. With the help of our church community, we can reach our goal.

There are many levels of donations available, and all donations are greatly appreciated. You can choose a package from the donation grid or choose your own amount to donate. Monthly giving is a great way to donate without a lot of effort.

Payments can be made by pre-authorized debit or by post-dated cheques. Special envelopes have been prepared and will be available at the entrance of the church for those wishing to donate weekly or at their leisure.
