Dear First Presbyterian Church Member/Adherent:

“GO THROUGH YOUR JEWELRY BOX ... GOLD FOR THE ROOF”...

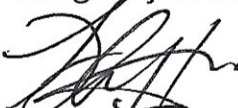

You have heard we still have to raise thousands of dollars to fix our church roof with various fundraisers ongoing to accomplish this very important task.

Here is an opportunity to help us raise roof funds without donating any cash.

Remember at one time gold was only \$30.00 an ounce; but today is over \$1,000.00 so even small items could be valuable. We all likely have old family gold jewelry such as rings, etc. that our kids and grandkids don't want; much of it possibly inherited/accumulated many years ago just lying in a jewelry box not being used any longer.

But the church can use it. If you donate it, we will have it appraised by Exquisite Gold & Gem Inc. and sell it to them for the gold content. The funds will go to the roof fund and a First Presbyterian charitable tax receipt given to you. Easy as that.

This project has been approved by the Board of Managers and Session. Contact Lorne Clifford at 6292631 or Fred Johnson at 5778190. You can give items to either of us after church any Sunday; or we will pick up your old gold jewelry if you call us keeping it separate to ensure you get a charitable tax receipt when it is sold. It will help your church and you will have peace of mind knowing that your old gold jewelry is going to a good cause. Thanks.
